# ABOUT BUZZKILL

**BUZZKILL** is an alcohol-removed sauvignon blanc for people who can't, shouldn't, or don't want to get f\*&^ed up. Crafted in small batches by our renowned in-house winemaker, **BUZZKILL** is the highest-quality alcohol-removed wine you'll find.

# #1 BEST SELLING WHITE WINE ON AMAZON

★★★★★ An absolute fav!

This tastes EXACTLY like full-alcohol Sauvignon Blanc...by far the best NA wine on the market. Cans make it easy to pour single-serve into a glass. Highly recommend!

★★★★★ Best non alc wine option out there!

I'm SO glad I can purchase buzzkill on Amazon now! I've tried so many different ones that either have too much sugar or just taste flat and nasty. Buzzkill is hands down the best nonalcoholic option in my opinion!

**GOLD MEDAL: INTERNATIONAL CANNED WINE COMPETITION**

**BEST CA NON-ALCOHOLIC WINE — The San Francisco Chronicle**

Expect the delicious flavors of Sauvignon Blanc with all the benefits of our hangover-free formulation. Buzzkill is juicy on the palette with vibrant acidity, aromatics of lemongrass, tropical notes of passionfruit, and citrus undertones, crafted in small batches.
