Savory, authentic traditional thick-cut noodles direct from the people who have been keeping it spicy since 1982.

Hello, my name is Jia, I'm the founder of Hotpot Queen. I grew up surrounded by spice—spicy food, spicy people, spicy adventures. My family has been passionately serving mala specialties for four decades. In 1982, five months after I was born, my mother He Yongzhi opened Little Swan, a small hotpot restaurant in the heart of Chongqing that struggled to fit three tables. Little Swan marked the beginnings of the widespread proliferation of the "Yuan Yang" mala hotpot, my mother's invention inspired by the confluence of the Yangtze and Jialing rivers, that would go on to become one of the most iconic staples of Sichuan cuisine and cement her legacy as the "Queen of Hotpot". Today, I'm continuing to spread her legacy by bringing some Sichuan spice to the table.
