

OH MY GUM!

Chewing gum as it should be.

OH MY GUM! is award-winning plant-based chewing gum made without the plastic, sugar or artificial ingredients found in mainstream chewing gum. Winners of the Sustainable Food Awards and the Great Taste Awards, OH MY GUM! is made using a natural biodegradable tree sap called chicle, what chewing gum is originally made of.

OH MY GUM! is sugar-free (sweetened with 100% xylitol), vegan, GMO-free and gluten-free.
